| 12          |               | Pace(s). Way of going of the horse/pony                                    | 10                    |
| 13          |               | Use of the arena and accuracy of the movements                             | 10                    |
| 14          |               | Position and skill of the rider  | 10 x 4<br>*           |
| Total Marks |               |  | 170                   |

If led, the leader should have minimum influence on the pony or rider. The amount of influence will be reflected in the marks. One mark will be deducted from the movement score on each occasion that the leader is seen to influence the horse/pony. The leader should lead from the inside, changing sides in front of the pony at the halt movement.
